OFFICE OF THE DIRECTOR,

Dated, Bangalore, 18th December, 1930.

FROM

C. RANGANATHA RAO SAHIB, Esq., B.A., B.L.,
Director of Industries and Commerce in Mysore,
(Bangalore, India.)

TO

B. Narainsamiengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

With reference to your letter No. D. 6040/I & C 171-30-2 of the 10th instant, requesting me to send up a scheme for the manufacture of Vegetable Ghee in consultation with the Industrialists engaged in the manufacture of oil in the State, I have the honor to state that within the last few days an Engineer - from Messrs. Duncan Stratton & Co., Bombay, had come to interview me in connection with this subject. This firm in Bombay has recently erected two vegetable ghee plants, one in Bombay and another in Lyallpur in the Punjab. The firm have obtained the co-operation of a German firm and have purchased the -- patents necessary for turning out a suitable product. This - firm offers to erect a similar plant in Bangalore or anywhere-else in the Mysore State provided an order is placed with them and a royalty is paid to them for the guarantee which they are prepared to offer to turn out a suitable product. I requested a few of the Oil Manufacturers of the State to interview this Engineer and a very interesting discussion took place. The Engineer subsequently went to Davengere on the Bangalore - Poona Line and visited one of the factories of an important industrial -ist in that town, viz., Mr. T. Devendrappa. I understand -- that the Engineer was favourably impressed with the facilities available at that place and has promised to forward detailed - estimates for the erection of a vegetable ghee factory at Davengere

2
Davengere.

As I stated in my address at the Economic Conference Mr. Devendrappa is willing to put up a plant, provided, Government are prepared to advance a loan equivalent to about two-thirds of the value of the plant and buildings that have to be erected for the establishment of this factory.

I shall address Government again on hearing from Messrs. Duncan Stratton & Co., Bombay, on the subject.

I have the honor to be,
Sir,
Your most obedient servant,

Changanatha New Sathil
Director.

To

The Secy. Genl.

Sir,

With refer to correspondence
relating with your letter No. D.S.
1116/29-30 re erection of a vegetable
ghee factory at Savangere, I
am directed to enquire if
the estimates furnished by
the Engineer of Messrs. American
Station Co. Bombay have
been received and if so, how
the matter stands now.

OFFICE OF THE DIRECTOR,

Dated, Bangalore, 4th March.....1931

FROM

C. RANGANATHA RAO SAHIB, Esq., B.A., B.L.,

Director of Industries and Commerce in Mysore,
(Bangalore, India.)

To

D.O. 171-30-4

B. Narainsamiengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

With reference to your letter No. D. 8084/I & C 171-30-R dated 31st Jany.1931 enquiring if the estimates have been received from - Messrs. Duncan Stratton & Co., I have the honor to state that the estimates were received in this office on 31st Jany.1931. The cost of a complete plant to deal with 5 tons of Groundnut oil per day is estimated at Rs 3,95,000/-.

Messrs. Bramhappa Tavanappanavar who are the only firm of Industrialists who can undertake the enterprise were consulted in regard to the scheme. They have replied that it is only possible for them to embark on the scheme provided Government find all the finance - required. As this proposal is utterly impracticable, I regret to state that further action in regard to the industry should be postponed till a more favourable opportunity occurs.

I have the honor to be,
Sir,
Your most obedient servant,

C. Ranganatha Rao Sahib
Director.
